12th March 2020

Dear Parent / Guardian,

As a school community we have been monitoring the information and advice regarding the Coronavirus pandemic. The health and wellbeing of our students and staff is our key priority.

If you have any concerns regarding possible infection or transmission of the virus, please seek advice and guidance from the Helpline 111.

Please inform us if any suspected cases in your family or acquaintances which your children may have been in contact with and follow the guidelines as set out by the Public Health Agency.

Advice can be found on the following websites:

<https://www.publichealth.hscni.net>

<https://www.education-ni.gov.uk>

If anyone is experiencing symptoms associated with Covid-19, they should seek advice from their GP and not attend school until they have been informed by medical professionals that they can do so.

We have enclosed information in this pack which will enable pupils to access their learning online in the event of a possible closure of schools. Documents can also be found on our website:

<https://www.stpatrickscollege-dungannon.net/>

We will update parents / guardians of any developments on our social media platforms and via our Text messaging service.

Please contact us if you have any queries or concerns.

Yours faithfully,

Catherine McHugh

Mrs C McHugh
Principal
