

WE NEED YOUR HELP!

Everyone has a role to play in stopping the spread of COVID-19.

Here's how you can help keep our schools safe...

IF YOU ARE SICK STAY HOME

Regular attendance at school is really important but if you are sick, don't come to school. Got Covid-19 symptoms? You need to book a test.

COVER COUGHS & SNEEZES

Cough into your elbow or use a tissue – and make sure you put used tissues in the bin.

KEEP SOCIAL DISTANCING

Try to socially distance from your teachers and friends as much as you can.

HOLD ONTO YOUR OWN ITEMS

You should not share things like stationery, food and drinks with your friends.

WASH YOUR HANDS

Wash your hands when you arrive at school and throughout the day.

WEAR A FACE COVERING

It is strongly recommended that everyone wears face coverings on school transport or in communal areas/corridors. But remember some people may not wear a face covering if they are exempt.
